

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed unconsolidated balance sheet of Habib Bank Limited as at December 31, 2006 and the related unconsolidated profit and loss account, unconsolidated cash flow statement and unconsolidated statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the 'financial statements') for the year then ended, in which are incorporated the unaudited certified returns from the branches except for 82 branches which have been audited by us and 40 branches audited by auditors abroad and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Bank's Board of Directors to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with approved accounting standards and the requirements of the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984). Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the International Standards on Auditing as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting amounts and disclosures in the financial statements. An audit also includes assessing accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion and after due verification, which in the case of loans and advances covered more than 60% of the total loans and advances of the bank, we report that:

- (a) in our opinion, proper books of accounts have been kept by the Bank as required by the Companies Ordinance, 1984 (XLVII of 1984), and the returns referred to above received from the branches have been found adequate for the purposes of our audit;
- (b) in our opinion:
 - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), and are in agreement with the books of account and are further in accordance with accounting policies consistently applied, except for the change as specified in note 4.15 with which we concur;

- (ii) the expenditure incurred during the year was for the purpose of the Bank's business;
and
 - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the unconsolidated balance sheet, unconsolidated profit and loss account, unconsolidated cash flow statement and unconsolidated statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and give the information required by the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), in the manner so required and give a true and fair view of the state of the Bank's affairs as at December 31, 2006 and its true balance of the profit, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The corresponding figures presented are based on unconsolidated financial statements of the Bank as of December 31, 2005 which were audited by another auditor whose report dated March 28, 2006 expressed an unqualified opinion on those statements.

Date: February 13, 2007

Karachi.

**HABIB BANK LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2006**

1 STATUS AND NATURE OF BUSINESS

Habib Bank Limited (the Bank) is incorporated in Pakistan and is engaged in commercial banking, modaraba management and asset management related services in Pakistan and overseas. The Bank's registered office is located at Habib Bank Tower, 4th Floor, Jinnah Avenue, Islamabad. The bank operates 1,437 branches (2005: 1,425) inside Pakistan and 40 branches (2005: 45) outside the country.

2 BASIS OF PRESENTATION

- In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these financial statements as such but are restricted to the amount of facility actually utilized and the appropriate portion of mark-up thereon.
- The US Dollar amounts shown in the financial statements are stated solely for information convenience. For the purpose of translation to US Dollars, the rate of Rs. 60.91 per US Dollar has been used for both December 31, 2006 and 2005.

2.1 Basis of measurement

These financial statements have been prepared under the historical cost convention except that certain fixed assets are stated at revalued amounts, trading and available for sale investments and derivative financial instruments are measured at fair value.

2.2 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Bank's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Bank's financial statements or where judgment was exercised in application of accounting policies are as follows:

i) Classification of investments

- In classifying investments as "held-for-trading" the Bank has determined securities which are acquired with the intention to trade by taking advantage of short term market / interest rate movements and are to be sold within 90 days.
- In classifying investments as "held-to-maturity" the Bank follows the guidance provided in SBP circulars on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity. In making this judgment, the Bank evaluates its intention and ability to hold such investments to maturity.
- The investments which are not classified as held for trading or held to maturity are classified as available for sale.

ii) Provision against non performing loans and advances

The Bank reviews its loan portfolio to assess amount of non-performing loans and advances and provision required there against. While assessing this requirement various factors including the delinquency in the account, financial position of the borrower, the forced sale value of the securities and requirements of Prudential Regulations are considered. The estimates of forced sale values are supported by independent valuation of the assets mortgage / pledged. For portfolio impairment provision on consumer advances, the Bank follows, the general provision requirement set out in Prudential Regulations. These provisions change due to changes in requirements and the effect is disclosed in note 9.

iii) Impairment of available for sale equity investments

The Bank determines that available-for-sale equity investments are impaired when there has been a significant or prolonged decline in the fair value below its cost. This determination of what is significant or prolonged requires judgment. In making this judgment, the Bank evaluates among other factors, the normal volatility in share price. In addition, impairment may be appropriate when there is evidence of deterioration in the financial health of the investee, industry and sector performance, changes in technology, and operational and financing cash flows.

iv) Income taxes

In making the estimates for income taxes currently payable by the Bank, the management looks, at the current income tax laws and the decisions of appellate authorities on certain issues in the past. In making the provision for deferred taxes, estimates of the Bank's future taxable profits are taken into account.

v) Fair value of derivatives

The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant interest rates in effect at the balance sheet date and the rates contracted.

vi) Depreciation and amortization of fixed assets

In making estimates of the depreciation / amortization method, the management uses method which reflects the pattern in which economic benefits are expected to be consumed by the Bank. The method applied is reviewed at each financial year end and if there is a change in the expected pattern of consumption of the future economic benefits embodied in the assets, the method would be changed to reflect the change in pattern. Such change is accounted for as change in accounting estimates in accordance with International Accounting Standard - 8, Accounting Policies, "Changes in Accounting Estimates and Errors".

3 STATEMENT OF COMPLIANCE

- 3.1 These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan and the requirements of the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962, directives issued by the Securities and Exchange Commission of Pakistan and the State Bank of Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards as notified under the provisions of the Companies Ordinance, 1984. Wherever, the requirements of the Companies Ordinance, 1984, Banking Companies Ordinance, 1962 or directives issued by the Securities and Exchange Commission of Pakistan and the State Bank of Pakistan differ with the requirements of these standards, the requirements of the Companies Ordinance, 1984, Banking Companies Ordinance, 1962, or the requirements of the said directives take precedence.

The State Bank of Pakistan, vide its BSD Circular No. 10 dated August 26, 2002 has deferred the applicability of International Accounting Standard 39, Financial Instruments Recognition and Measurement and International Accounting Standard 40, Investment Property for banking companies till further instructions. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

During 2005, the Securities and Exchange Commission of Pakistan notified the Islamic Financial Accounting Standard 1 issued by the Institute of Chartered Accountants of Pakistan relating to accounting for Murabaha transactions undertaken by a Bank, effective from financial periods beginning on or after January 01, 2006. The standard has not been adopted by stand alone Islamic branches of conventional banks pending resolution of certain issues e.g. invoicing of goods, recording of inventories, concurrent application with other approved accounting standards in place for conventional banks, etc. Pakistan Bank Association has taken up the matter with the State Bank of Pakistan.

3.2 Standards, interpretations and amendments to published approved accounting standards that are not yet effective

The following standards, amendments and interpretations of approved accounting standards, effective for accounting periods beginning on or after January 01, 2007 are either not relevant to Bank's operations or are not expected to have significant impact on the Bank's financial statements other than certain increased disclosures:

- IAS 1- Presentation of Financial Statements - amendments relating to Capital disclosures.
- IFRS 2 - Share-Based Payments.
- IFRS 3 - Business Combinations
- IFRS 5 - Non-current assets held for sale and discontinued operations
- IFRS 6 - Exploration for and evaluation of mineral resources
- IFRIC 8 - Scope of IFRS 2 Share-Based Payments.
- IFRIC 9 - Reassessment of Embedded Derivatives
- IFRIC 10 - Interim Financial Reporting and Impairment
- IFRIC 11- Group and Treasury Share Transactions
- IFRIC 12 - Services Concession Arrangements.

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 Revenue recognition

Advances and investments

Income on loans and advances and debt security investments are recognized on a time proportion basis that takes into account effective yield on the asset. Where debt securities are purchased at a premium or discount, those premiums / discounts are amortized through the profit and loss account over the remaining maturity, using the effective yield method.

Interest or mark-up recoverable on classified loans and advances and investments is recognized on receipt basis. Interest / mark-up on rescheduled / restructured loans and advances and investments is recognized as permitted by the regulations of State Bank of Pakistan or overseas regulatory authorities of countries where the branches operate, except where in the opinion of the management it would not be prudent to do so.

Dividend income from investments is recognized when the right to receive is established.

Lease financing

Financing method is used in accounting for income from lease financing. Under this method, the unearned lease income (excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is deferred and taken to income over the term of the lease period so as to produce a constant periodic rate of return on the outstanding net investment in lease.

Unrealized lease income is suspended on classified leases, in accordance with the requirements of the Prudential Regulations of the State Bank of Pakistan. Gains / losses on termination of lease contracts, documentation charges, front-end fees and other lease income are recognized as income on receipt basis.

Letters of credit and guarantees

Commission on letters of credit and guarantees etc. is recognized on time proportion basis.

4.2 Taxation

Income tax expense comprises current and deferred tax. Income tax expense is recognized in the profit and loss account except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity.

Current

Current taxation is the tax payable on taxable income earned from local as well as foreign operations for the year using tax rates enacted at the balance sheet date and, any adjustments to tax payable relating to prior years.

Deferred

Deferred tax is recognized using the balance sheet liability method on all temporary differences between the amounts attributed to the assets and liabilities for financial reporting purposes and amounts used for taxation purposes. Deferred tax is not recognized on differences relating to investments in subsidiaries to the extent that they probably will not reverse in the foreseeable future. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date.

A deferred tax asset is recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized.

4.3 Investments

The Bank classifies its investment portfolio into the following categories:

Held-for-trading

These are securities, which are either acquired for generating a profit from short-term fluctuation in market prices, interest rate movements, dealers margin or are securities included in a portfolio in which a pattern of short-term trading exists.

Held-to-maturity

These are securities with fixed or determinable payments and fixed maturity that the Bank has the positive intent and ability to hold till maturity.

Available-for-sale

These are investments that do not fall under the held-for-trading or held-to-maturity categories.

The Bank's investments in associates and joint venture companies are accounted for as "held at fair value through profit and loss account" in these separate financial statements.

Investments, including those referred to in para above, are accounted for as follows:

- Quoted securities are carried at fair value.
- Unquoted equity securities are valued at lower of cost and break-up value. Break-up value of equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements.
- Securities classified as held-to-maturity are carried at amortized cost.

Provision for diminution in the value of equity securities is made after considering permanent impairment, if any in their value. Provision for diminution in the value of debt securities is made as per the Prudential Regulation issued by the State Bank of Pakistan.

Any unrealized surplus / deficit arising on revaluation of investment classified as 'Held-for-Trading' are taken to the profit and loss account and unrealized surplus / deficit arising on revaluation of investment classified as 'Available-for-sale' is taken directly to "surplus / deficit on revaluation of securities" in the balance sheet.

Gain / loss on investments sold during the period are taken to the profit and loss account.

4.4 Lendings to / borrowings from financial institutions

Where securities are sold subject to a commitment to re-purchase them at a pre-determined price, they remain on the balance sheet and a liability is recorded in respect of the consideration received in "borrowings from financial institutions". Conversely, securities purchased under analogous commitments to resell are not recognized on the balance sheet and the consideration paid is recorded in "lendings to financial institutions" or "loans and advances" as appropriate.

The difference between the sale and purchase price is recognized as mark-up / return expensed or earned on time proportion basis as the case may be.

4.5 Advances

Loans and advances

Loans and advances and net investment in finance lease are stated net of provision for loan losses. Provision for loan losses of Pakistan operations including general provision is made in accordance with the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Provision for loan losses of overseas branches is made as per the requirements of the respective central banks. Advances are written off when there are no realistic prospects of recovery.

Finance lease receivables

Leases where the Bank transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. A receivable is recognized at an amount equal to the present value of the lease payments including any guaranteed residual value. Finance lease receivables are included in loans and advances to customers.

4.6 Operating fixed assets and depreciation

4.6.1 Tangible

Fixed assets and capital work-in-progress, are stated at cost or revalued amount less accumulated depreciation, where applicable, and accumulated impairment losses (if any).

Cost of fixed assets of foreign branches include exchange differences arising on translation at year-end rates. Land and buildings are revalued by independent professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from the fair value. Surplus arising on revaluation is credited to the 'surplus on revaluation of fixed assets' account (net of deferred tax). Under the provision of the Companies Ordinance, 1984, deficit arising on revaluation of fixed assets is adjusted against the balance in the above surplus account.

Surplus on revaluation of fixed assets to the extent of the incremental depreciation charged on the related assets is transferred by the Bank to un-appropriated profits (net of deferred tax).

All operating assets are being depreciated over their expected economic lives using the straight-line method from the date the assets are available for use.

Depreciation is calculated so as to write-off the assets over their expected economic lives at the rates specified in note 11.3 to these financial statements. The depreciation charge for the year is calculated after taking into account residual value, if any. The residual values, useful lives and depreciation method are reviewed and adjusted, if appropriate, at each balance sheet date.

Depreciation on addition and deletion of tangible assets during the year is charged in proportion to the period of use.

Normal repairs and maintenance are charged to the profit and loss account as and when incurred. However, renewals are capitalized.

Gain or loss arising on the disposal of fixed assets are included in income currently. Surplus on revaluation of fixed assets (net of deferred tax) realized during the year is transferred directly to un-appropriated profit.

4.6.2 Intangible

Intangible assets having a finite useful life are stated at cost less accumulated amortization and accumulated impairment losses, if any. Such intangible assets are amortized using the straight-line method over their estimated useful lives. Amortization is charged at the rate stated in note 11.2. Amortization on additions and deletions of intangible asset during the year is charged in proportion to the period of use. The useful life and amortization method are reviewed and adjusted, if appropriate at each balance sheet date. Intangible assets having an indefinite useful life are stated at acquisition cost.

4.7 Employee benefits

The Bank operates the following post retirement schemes for its employees:

- i) For those who did not opt for the pension scheme of 1977 and for new employees, the Bank operates:
 - Approved funded provident fund (defined contribution scheme)
 - Approved funded gratuity scheme (defined benefit scheme)

Liability under the gratuity scheme is determined on the basis of actuarial advice under the Projected Unit Credit method.

- ii) For those who opted for the pension scheme introduced in 1977, the Bank operates:
 - Approved funded pension scheme (defined benefit scheme) for services up to March 31, 2005
 - Contributory gratuity and provident fund schemes in lieu of pension fund, for services subsequent to March 31, 2005.

Liability under the pension scheme is determined on the basis of actuarial advice using the Projected Unit Credit method.

Post retirement medical benefits

The Bank also provides post retirement medical benefits to its clerical employees and pensioners retiring before December 31, 2005. Provision is made in the financial statements for this benefit based on actuarial advice using the Projected Unit Credit method.

Other post retirement benefits

The Bank provide cash benefit on retirement which are estimated as per the actuarial advice.

Employees' compensated absences

The Bank also makes provision in the financial statements for its liabilities towards compensated absences. This liability is estimated on the basis of actuarial advice under the Projected Unit Credit method.

Benevolent fund

The Bank operates funded benevolent schemes for its executives / officers and clerical / non-clerical employees. Under this scheme, the employees of the Bank are entitled to receive defined grants during their service and after retirement. The benevolent fund plan covers all the employees of the Bank.

Surplus / deficit on retirement funds / schemes

Any surplus / deficit arising on actuarial valuation of these schemes (including actuarial gains / losses) available to / payable by the Bank is recognized in the year in which it arises.

4.8 Foreign currency

Foreign currency transactions

Transactions in foreign currencies are translated to Pakistani rupees at the exchange rates ruling on the transaction date. Monetary assets and liabilities in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the balance sheet date. The fair value of forward cover taken from the State Bank of Pakistan for foreign currency deposits is added / deducted from value of foreign currency deposits. Forward foreign exchange contracts and foreign bills purchased are valued at forward rates applicable to their respective maturities.

Foreign operations

The assets and liabilities of foreign operations are translated to Pakistani rupees at exchange rates prevailing at the balance sheet date. The results of foreign operations are translated at average rate of exchange for the year.

Translation gains and losses

Translation gains and losses are included in the profit and loss account, except those arising on the translation of net investment in foreign operations (foreign branches, joint ventures or associates) which are taken to equity under "Exchange Translation Reserve" and on disposal are recognized in profit or loss account.

Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at forward rates applicable to their respective maturities. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the balance sheet date.

4.9 Cash and cash equivalents

Cash and cash equivalents include cash and balances with banks in current and deposit accounts.

4.10 Off setting

Financial assets and financial liabilities are set-off and the net amount is reported in the financial statements when there is a legally enforceable right to set-off and the Bank intends either to settle on a net basis, or to realize the assets and to settle the liabilities simultaneously.

4.11 Impairment

The carrying amount of the Bank's assets (other than deferred tax asset) are reviewed at each balance sheet date to determine whether there is any indication of impairment. If such indication exists, the recoverable amount of the relevant asset is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognized in profit and loss account. An impairment loss is reversed if the reversal can be objectively related to an event occurring after the impairment loss was recognized.

4.12 Provision for guarantee claim

Provision for guarantee claim is recognized when intimated and reasonable certainty exists that the Bank will settle the obligation. Expected recoveries are recognized by debiting customer's account. Charge to profit and loss account is stated net of expected recoveries.

4.13 Other provisions

Other provisions are recognized when the Bank has a legal or constructive obligation as a result of past events and it is probable that outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

4.14 Derivative financial instruments

Derivative financial instruments are initially measured at fair value and subsequently remeasured at fair value. The significant gain or loss on remeasurement to fair value is recognized in profit and loss account.

#REF! Dividend distribution

During the period the Institute of Chartered Accountants of Pakistan issued a Circular No. 06-2006 dated June 19, 2006 which requires that all declarations of dividends to holders of equity instruments consistent with / in accordance with IAS-10, Events after the Balance Sheet Date, including declaration of bonus issues and other appropriations except appropriations which are required by law after the balance sheet date, should not be recognized as liabilities or change in reserves at the balance sheet date. Previously all declarations of dividend to holders of equity instruments and transfers to reserves relating to profit for the year although declared subsequent to year end, were accounted for in the year to which those relates. This change has been applied retrospectively and comparatives have been restated. The change in accounting policy had following impact on these financial statements:

	December 31, 2006	December 31, 2005
	----- (Rupees in '000) -----	
Decrease in other liabilities	1,380,000	690,000
Increase in unappropriated profit	1,380,000	690,000

4.16 Segment reporting

A segment is a distinguishable component of the Bank that is engaged in providing product or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risk and rewards that are different from those of other segments. The Bank's primary format of reporting is based on business segments.

Business segments

- **Retail banking**
Consists of retail lending, deposits and banking services to private individuals and small businesses.

- **Corporate / commercial banking**
Consists of Corporate customers and investment banking, includes advices and placements to corporate mergers and acquisitions, underwriting, privatisations and securitisation.

- **Treasury**
Involves the businesses of proprietary trading, fixed income, equity and foreign exchanges.

- **International Banking Group**
It represents Group's operations at 26 countries and is considered a separate segment for monitoring purposes.

- **Head Office**
This includes balances held at Head Office level for regulatory requirements or other operational reasons and includes some non performing loans (not managed by other business segments), statutory liquidity and shareholders equity related balances and their associated cost / income.

Geographical segments

The Bank operates in five geographic regions, being:

- Pakistan
- Asia Pacific (including South Asia)
- Europe
- North America
- Middle East
- Others

9.3.1 Classification of overseas non-performing advances and provision there against has been made in accordance with the accounting policy as referred in note 4.5.

9.4 During the year, the Bank has separated non-performing loans classified as loss for more than five years and fully provided as a separate category for monitoring purposes. The total loans and advances so classified and the provisions there against amounts to Rs 7.12 billion. This category is not included in note 9.3.

9.4.1 The State Bank of Pakistan vide BSD Circular 7 dated November 1, 2005 has withdrawn the benefit relating to FSVs conducted in respect of non-performing loans and advances where the outstanding principal amount is Rs 10 million (2005:Rs 5 million) or less.

Had the provision against non-performing loans and advances been determined in accordance with the previous requirements of the State Bank of Pakistan by considering the benefit of FSV where the outstanding amount is between Rs 5 million and 10 million, the specific provision against non-performing loans and advances would have been lower and consequently profit before taxation and advances (net of provision) as at December 31, 2006 would have been higher by Rs 182.611 million.

- 11.4 The Bank's domestic properties were revalued by independent professional valuers as on December 31, 2004. These properties were revalued by Iqbal A. Nanjee & Co., professional valuers on the basis of market value. The revaluation has resulted in increasing the surplus on revaluation of fixed assets by Rs. 4,055.522 million. The Bank's properties of Srilanka and Singapore branches were revalued on August 10, 2005 and September 5, 2006 by A. Y. Daniel & Son and CB Richard Ellis (Private) Limited respectively, licenced valuers, on market value basis. These revaluations have resulted in a surplus of Rs 140.834 million and the same has been recorded in the books in 2006. Had there been no revaluation, the carrying amount of revalued assets would have been as follows:

	(Rupees in '000)
Land	466,613
Building including related machinery	967,470

The movement in surplus on revaluation of properties is given in note 18.1 to these financial statement:

11.5 Details of disposal of fixed assets

The information relating to disposal of fixed assets in aggregate having book value exceeding Rs. 250,000 or cost exceeding Rs 1 million (whichever is lower) is required to be disclosed as part of the financial statements by the State Bank of Pakistan is given in Annexure III and is an integral part of these financial statements.

- 11.6 At December 31, 2006 carrying value of temporarily idle properties and equipment and those retired from active service and held for disposal purposes amounted to Rs 121.573 million (2005: Rs 198.729 million) and Rs 99.945 million (2005: Rs 214.037 million), respectively. Gross carrying amount of fully depreciated properties and equipment that are still in the Bank's use, as at the above date, amounted to Rs 1.6 million (2005: Rs 1.605 million).

	(Rupees)	
Basic and diluted earnings per share	20.69	12.92

28. **CASH AND CASH EQUIVALENTS**

(Rupees)			
Cash and balance with treasury banks	5	46,244,803	33,014,694
Balance with other banks	6	23,532,165	23,304,315
		<u>69,776,968</u>	<u>56,319,009</u>

29. **STAFF STRENGTH**

(Number)			
Permanent		14,304	16,098
Others		184	130
Total Staff Strength		<u>14,488</u>	<u>16,228</u>

29.1 During the year 2,367 (2005: 2,202) employees were retrenched. The bank has paid in addition to payments under the staff retirement funds, an amount of Rs 1,724 million (2005: Rs 1,602 million) under the scheme.

29.2 Subsequent to the year end, 900 employees have been retrenched as per Bank's Human Resource policy with effect from January 13, 2007. The bank has committed to pay, in addition to payments under the staff retirement funds, an amount of Rs. 641 million under the retrenchment scheme.

30. DEFINED BENEFIT PLANS AND OTHER BENEFITS

30.1 Principal actuarial assumptions

The latest actuarial valuation for pension and gratuity schemes was carried out as at December 31, 2006 using the Projected Unit Credit Actuarial Cost method and assuming that no indexation of pension will take place. The following significant assumptions were used for the valuation of these schemes:

	Per Annum
Valuation discount rate	10.00%
Expected rate of increase in salary level	8.00%
Expected rate of return on funds invested	10.00%

30.2 Pension, gratuity and benevolent fund schemes

30.2.1 Fair value of plan assets and present value of defined benefits obligations of these schemes as at December 31, 2006 are as follows:

	Pension		Gratuity		Benevolent		Post-employment medical benefits	
	2006	2005	2006	2005	2006	2005	2006	2005
	----- (Rupees in '000) -----							
Fair value of plan assets	9,677,005	9,497,442	731,530	699,096	1,349,964	1,074,684	-	-
Present value of defined benefit obligation	(5,105,937)	(5,491,521)	(467,581)	(459,947)	(1,615,281)	(1,600,716)	-	-
Surplus / (Deficit)	4,571,068	4,005,921	263,949	239,149	(265,317)	(526,032)	-	-
Present value of unfunded obligation	-	-	-	-	-	-	(1,770,489)	(2,020,330)
Unrecognised past service cost	-	-	-	-	249,548	291,141	110,406	128,807
Asset / (provision) recognised in the balance sheet	4,571,068	4,005,921	263,949	239,149	(15,769)	(234,891)	(1,660,083)	(1,891,523)

30.2.2 The following amounts have been charged / (credited) to the profit and loss account in respect of the above-referred schemes:

Note	Pension		Gratuity		Benevolent		Post-employment medical benefits	
	2006	2005	2006	2005	2006	2005	2006	2005
	----- (Rupees in '000) -----							
Current service cost	35,105	134,546	264	6,869	25,556	29,920	25,102	61,757
Mark-up cost	549,152	518,617	45,995	41,417	160,072	113,801	202,033	190,281
Expected return on plan assets	(1,063,872)	(717,165)	(69,910)	(65,280)	(145,154)	(114,103)	-	-
Other movements	(85,532)	79,544	(1,149)	111,305	539,424	243,779	(139,258)	(289,695)
Contributions - employees	-	-	-	-	(16,325)	(19,253)	-	-
Charge / (reversal) for the year	(565,147)	15,542	(24,800)	94,311	563,573	254,144	87,877	(37,657)

Charge for the year is included in administrative expenses (note 24 to the financial statements) under 'Charge for defined benefit plans and other benefits' account head. A sensitivity analysis to estimate the impact of increase in medical costs has not been carried out and is not likely to have a material impact on Bank's financial statements.

30.2.2.1 It represents net impact of actuarial gain / (loss), past service cost, curtailment gain and assets recognized in current period.

30.2.3 Movement in amounts (receivable from) / payable to defined benefit plans

	Pension		Gratuity		Benevolent		Post-employment medical benefits

30.3 **Other benefits - Employee compensated absences**

The liability of the Bank in respect of employee compensated absences is based on actuarial valuation carried out as at December 31, 2006, amounted to Rs 1,297.901 million (2005: Rs 1,260.440 million). Provision for this balance is held by the Bank.

The charge for the year amounting to Rs 37.461 million (2005: 196.363 million) is included in administrative expenses (note 24 to the financial statements) under 'Charge for defined benefit plans and other benefits' account head.

31. **DEFINED CONTRIBUTION PLAN**31.1 **Provident Fund**

For new employees and for those employees who did not opt for the Bank's pension scheme introduced in 1977, the bank operates an approved provident fund under which both the Bank and employees contribute at 5% of basic salary. The staff who are covered by the Bank's pension plan (now closed) are also eligible to join the provident fund by contributing 5% of their basic pay. However, the bank does not contribute for these employees.

The total assets of the Fund were Rs 6,559.024 million as at December 31, 2005 (2004: Rs 6121.988 million) as per latest available audited financial statements.

32. **REMUNERATION OF DIRECTORS AND EXECUTIVES**

	President		Directors		Executives	
	2006	2005	2006	2005	2006	2005
	(Rupees in '000)

The Chairman, Bank's President / Chief Executive Officer and Executives are provided with free use of the Bank's maintained cars and club membership in accordance with their entitlement.

In addition to the above, all Executives, including Chief Executive Officer of the Bank are also entitled to certain short term employee benefits which are disclosed in note 24.3 to these financial statements. Prior year figures have been restated. Prior year figures for Executive remuneration have also been restated to include remuneration of Executives at overseas branches which were previously not included.

33. **RELATED PARTY TRANSACTIONS**

Aga Khan Fund for Economic Development holds 51% share of the Bank. The Bank has related party relationship with its subsidiaries, associated undertakings, joint venture company (refer note 8.4 & 8.5), employee benefit plans (refer note 4.7) of the Bank or of any related party, and members of the Key Management Personnel of the Bank or of any related party, including both Executive and Non-Executive Directors and Executive officers.

Banking transactions with the related parties are executed substantially on the same terms, including mark-up rates and collateral, as those prevailing at the time for comparable transactions with unrelated parties and do not involve more than normal risk (i.e. under the comparable uncontrolled price method) other than those under terms of employment. Details of loans and advances to the companies or firms in which the directors of the Bank, are interested as directors, partners or in case of private companies, as members, are given in note 9.8 to these financial statements.

Contributions to and accruals in respect of staff retirement and other benefits plans are made in accordance with the actuarial valuation / terms of the contribution plan. There are no transactions with key management personnel other than under their terms of employment.

Details of transactions with related parties and balances with them as at the year-end were as follows:

33.1 **Key Management Personnel**

Key Management Personnel comprises Members of Management Committee, Regional Management, Country Managers and Senior Executives.

Managerial remuneration (including allowances)	540,298	457,456
Contribution to provident and benevolent fund	14,292	11,969
Medical	7,225	6,808
	<u>561,815</u>	<u>476,233</u>
Number of persons	<u>171</u>	<u>166</u>

In addition, Key Management Personnel are paid short-term employee benefits which are disclosed in note 24.3.

34. **RISK MANAGEMENT FRAMEWORK**

Risk taking is central to banking activity. The Bank evaluates business opportunities in terms of the risk-reward relationship. The risks that Bank takes on are reasonable, controlled, within its financial resources and credit competence.

The diversity of our business requires us to identify, measure and manage risks effectively. At HBL, the risk is managed through a framework, organisational structure, risk management and monitoring processes that are closely aligned with the activities of the Group and in line with the guidelines given by State Bank of Pakistan.

Risk Management Principles

The following key principles form part of Bank approach to risk management

- The Board, through its subcommittee, oversees risk management, reviews and approves risk management policies and tolerance limits wherever required.
- Various committees at functional level oversee the implementation of risk management policies.
- Market and liquidity risks are managed by a well-represented ALCO, whose members are President and CEO, Heads of business groups, Chief Risk Officer, Chief Financial Officer and Head of market risk.
- Risk Management group is headed by Chief Risk Officer, who is the secretary of the Board subcommittee on risk management.
- Credit policy committee and Operational risk committee are responsible for defining and implementation of respective policies.
- The Management Risk Committee represented by Heads of various risk groups allows the Bank to manage Credit, Market and Operational risk on an integrated basis.
- The structure of Risk Management Bank is closely aligned with the structure of Bank's business group.
- The risk management function is independent of business groups / divisions.
- Independent risk review function is conducted by our Business Risk Review department operating under Audit which reports directly to the Board audit committee.

The Bank, in line with the preparation for the implementation of Basel II in collaboration of external consultant has initiated a major project to further improve the risk management framework and processes.

Credit Risk Management

Credit risk is the risk of loss due to the failure of a borrower to meet its credit obligations in accordance with agreed contract terms.

Credit risk makes up the largest part of Bank's risk exposures. Habib Bank's credit process is guided by centrally established credit policies, rules and guidelines continuing a close-to-the-market approach with an aim to maintain a well-diversified portfolio of credit risk which produces a reliable and consistent return.

Credit risk policies are established by the Credit Policy Committee and approved by the Board through its Risk Management Committee. The Bank has a system of checks and balances in place around the extension of credit that are:

- an independent risk management function
- multiple credit approvers
- an independent audit and risk review function.

The Credit Risk Strategy reflects HBL's tolerance for risk i.e. credit risk appetite and the level of expected profitability. This, as a minimum, reflects HBL's strategy to grant credit based on various products, economic sectors, client segments etc, target markets giving due consideration to risks specific to each target market.

Salient features of our Risk approval process is delineated below.

- Every extension of credit to any counterparty requires approval by The pre-defined level of authority
- All business groups must apply consistent standards in arriving at their credit decisions.
- Every material change to a credit facility requires approval at the appropriate / pre-defined level
- credit approval authority is assigned to individuals according to their qualifications and experience.

Certain groups of exposures / facilities are managed under product programs which are approved by various level of approving authorities as defined in the credit policy manual. Each product program contains detailed credit criteria, regulatory, compliance and documentation requirement.

The Bank uses risk rating system to supplement the credit risk measurement procedure for exposures exceeding a certain threshold. Risk rating of counterparties is an essential requirement of credit approval process. Risk management group validates the individual risk rating. Going forward the system will be upgraded substantially to align it with the Basel II IRB guidelines.

Stress testing on the credit portfolio is performed according to the guidelines issued by State Bank of Pakistan at defined frequency.

The disbursement, administration and monitoring of credit facilities are managed by Credit Administration Departments (CAD) linked to various business units operates under the Risk Management group. CAD is also responsible for collateral / documents

The Bank monitors its credit portfolio on continuing basis. Procedures are in place to identify, at an early stage, credit exposures for which there may be a risk of loss. The objective of an early warning system is to address potential problems while various options may still be available. Early detection of problem loans is a tenet of our credit culture and is intended to ensure that greater attention is paid to such exposure. The Bank has an established Asset Remedial Division to focus on expediting recoveries from problem credits. The division negotiates with problem borrowers and recommends restructuring and rescheduling of stuck up loans to the senior management. Cases where the possibilities of economically viable means of recovery are exhausted, legal proceedings are initiated.

The Bank follows the guidelines of SBP or the Regulators under which it is operating in other countries for the classification / write off procedures relating to problem loans.

Country Risk

The Bank has established limits for Cross Border Transfer Risk (CBTR) based on the ratings assigned by internationally recognised rating agencies. CBTR arises from exposure to counterparties in Countries other than the country where exposure is located. We define transfer risk as arising where an otherwise solvent and willing debtor is unable to meet its obligation due to the imposition of Governmental or regulatory controls restricting its ability to perform under its obligation towards its foreign liabilities .

Market Risk Management

It is the risk of loss due to adverse movements in market rates or prices, such as foreign exchange rates, interest rates and equity prices. It emanates from the trading activities mainly carried out by Treasury and Investments/ structural positions housed in banking book.

The Bank carries a limited amount of Market risk and the bulk is located in the banking book stemming from the mismatches in structural assets and liabilities position . Market risk is managed by the risk management Bank under the supervision of Asset and Liabilities Committee (ALCO).Two units i.e. Treasury middle office (TMO) responsible for market risk generated by Treasury and the other responsible for the market risk on the banking book ,represents the market risk group. These two units reports to a market risk manager who is a member in ALCO .

Market risk at HBL is managed by the Risk Management Group under the supervision of Asset and Liabilities Committee (ALCO) supported by Treasury Middle Office (TMO).

The Bank carries a limited amount of Market risk and the bulk is located in the banking book stemming from the mismatches in structural assets and liabilities positions.

Tolerance limits for market risk are approved by the BOD. The limit is further allocated to banking and Trading book that are monitored at pre defined frequencies. Risk measurement is currently based on sensitivity analysis and stress testing. Going forward the Bank intends to use more sophisticated models and is currently evaluating various tools which would allow it to use Value at Risk (VAR) methodologies.

Derivatives

State Bank of Pakistan (SBP) has granted permission to financial institutions for dealing in Derivatives. Transactions currently permitted include Foreign currency Options, Forward Rate Agreements and Interest Rate Swaps. At present the Bank is only dealing in Foreign Exchange Currency Options (FXCO) on a very limited scale and purely on a back to back basis without carrying any open position in its books. Policies in line with SBP instructions have been formulated and are operative. Total notional amount equivalent to PKR 686.5 million was outstanding as at December 31, 2006.

Interest Rate Risk

Interest rate risk is the risk that an investment value will change due to a change in the absolute level of interest rates i.e. the spread between two rates, in the shape of the yield curve, or in any other interest rate relationship.

Substantial part of the Bank's assets and liabilities are subject to floating rates hence are re-priced simultaneously. However, the Bank is exposed to interest rate risk as a result of mismatches on a relatively small portion of its assets and liabilities. The major portion related to this risk is reflected in the banking book owing to the retail activities and investments qualifying for statutory reserve requirements. The overall potential impact of the mismatches on the earnings in short term and economic value of the portfolio in the long term is not material and is being managed with in the tolerance limits approved by the Board.

The Bank uses simulation and duration gap models to measure and monitor the interest rate sensitivity on the potential earnings and Bank's economic value.

Foreign Exchange Risk

The Bank's assets are typically funded in the same currency as that of the business transacted to eliminate foreign exchange exposure. However, the Bank is obliged to maintain a reasonable open position in various currencies resulting from the sizeable trade related transactions handled across the Bank.

Foreign Exchange risks are controlled and monitored through the limits approved by ALCO with in the overall limits advised by SBP. The regulatory limit for Foreign exchange is relatively small compared to the size of the Bank; hence the risk generated through foreign exchange activities is insignificant.

End of the day positions are marked to market daily according to the guidelines of SBP and sensitivity is conducted in line with the internal market risk policy of the Bank. The intra-day positions are managed by Treasury / dealing room through stop loss / dealers limits. Going forward the Bank will adopt VAR approaches to measure and monitor foreign exchange risk.

Liquidity Risk Management

Liquidity Risk is the risk that the Bank will be unable to meet its cash flow obligations as they become due, because of an inability to liquidate assets, or to obtain adequate funding.

The Asset Liability Committee (ALCO) has the responsibility for the formulation of overall strategy and oversight of the asset liability management function.

The Bank follows a comprehensive liquidity risk management policy duly approved by ALCO and Board. The policy stipulates maintenance of various ratios, funding preferences and evaluation of Bank's liquidity under normal and crisis situation (stress testing). To comply with the policy, the Bank has also conducted a behavioural study on its core deposits to evaluate their stickiness, which may not reflect in their maturity profile. Such evaluation forms part of liquidity management process to realistically project the reliance on such funding sources. As a result of close monitoring and strict policy towards reliance on core deposits, the Bank has been able to avoid concentration / reliance on volatile deposits in its books.

OPERATIONAL RISK

Operational risk management policy has been approved by the Board. The policy covers the core governing principles for operational risk management and provides guidelines to identify, control, monitor, measure and report operational risk in a consistent manner across the Bank. Recently, external consultants as part of the diagnosis project have submitted a detailed gap analysis report and work is in progress to have a comprehensive operational risk management framework.

35. CAPITAL ADEQUACY

The risk weighted assets to capital ratio, calculated in accordance with the State Bank's guidelines on capital adequacy was as follows:-

	2006	2005
	(Rupees in '000)	
35.1 Regulatory Capital Base		
Tier I Capital		
Shareholders' capital / assigned capital	6,900,000	6,900,000
Capital and other reserves	15,288,519	13,860,906
Accumulated profit	22,047,700	9,822,330
	44,236,219	30,583,236
Less: Deficit on account of revaluation of AFS investments - net of deferred tax	(243,682)	(118,997)
Less: Investment in subsidiary companies not consolidated in the balance sheet	(2,752,080)	(2,552,080)
Total Tier I Capital	<u>41,240,457</u>	<u>27,912,159</u>
Tier II Capital		
General provisions subject to 1.25% of total risk weighted assets	1,303,886	1,446,712
Revaluation reserve (upto 50%)	3,667,365	3,637,958
Surplus on revaluation of securities - eligible upto 50%	127,671	225,766
Effect of translation of net investment in foreign branches	1,528,953	1,539,181
Sub-ordinated debt (upto 50% of total Tier I Capital)	-	-
Total Tier II Capital	6,627,875	6,849,617
Eligible Tier III Capital	-	-
Total Regulatory Capital	<u>47,868,332</u>	<u>34,761,776</u>

Committed Tier II Capital

IFC has committed to disburse a sub-ordinated debt amounting to Rs. 3,000 million.

38. YIELD / INTEREST RATE RISK

38.1 Interest rate risk management

A high proportion of loans and advances portfolio of the Bank comprises of working capital finances which are re-priced on a three monthly basis. The Bank's interest / mark-up rate risk is limited since the majority of customers deposits are retrospectively re-priced on a six monthly basis on the profit and loss sharing principle

		2006									
Effective yield / interest rate	Total	Exposed to yield / interest risk									Not exposed to yield / interest risk
		Upto one month	Over one to three months	Over three to six months	Over six months to one year	Over one to two years	Over two to three years	Over three to five years	Over five to ten years	Over ten years

39. FAIR VALUE OF FINANCIAL INSTRUMENTS

The fair value of traded investments are based on quoted market prices and unquoted investments including investments in subsidiaries, joint venture and associates are estimated using the best available market based information. Fair value of these investments has been disclosed in note 4

Fair value of fixed term loan, other assets and other liabilities can not be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 4

The maturity and repricing profile and effective rates are stated in notes 37 and 38 respectively

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short-term in nature or in the case of customer loans and deposits are frequently repriced

40. CONCENTRATION OF CREDIT AND DEPOSITS

40.1 Concentration of credit risk

Out of the total financial assets of Rs 536,093 million, financial assets which were subject to credit risk amounted to Rs 529,491 million. The Bank's major credit risk is concentrated in the textile sector.

The following financial assets are guaranteed by the Federal / overseas Governments or State Bank of Pakistan / other Central Banks and enterprises owned / controlled by the Government:

	2006 (Rupees in '000)
Guaranteed by the Government of Pakistan	
- Investments	97,296,831
- Loans and advances	20,814,348
- Mark-up receivable on Government guaranteed financial assets	678,135
	<u>118,789,314</u>
Financial assets receivable from enterprises owned/controlled by Government	17,502,803
Guaranteed by overseas Governments	7,005,744
Financial assets receivable from State Bank of Pakistan	30,534,491
Financial assets receivable from other Central Banks	7,593,232
	<u><u>181,425,584</u></u>
